

In loving memory of

*Flora Bernice Jaggassar (Nee Paul)*

**Sunrise: 29th December 1927    Sunset: 29th January 2011**

*Eleven years today since you left us Mom,  
And we still miss you every day, But now we see you  
in the little ones, And your memories linger on  
Those we love never go away, they live within our  
heart, and though you're no longer here, we will  
never be apart Missing you always, Remembering  
you forever, Rest In Peace Dearest Mother.*

From your children, grandchildren,  
great grandchildren, sons and  
daughters in law, relatives and friends.
